## HOW TO ORDER

- Click on the 'Campus Cash Student Packages' link in the 'Simple Pricing' section of our website at [www.boxnco.com](http://www.boxnco.com) to look at the different plans we offer.
- Click 'Get Started' on our website and create an account. The system will ask you for a credit card to complete the setup. The credit card will not be used to charge you for storage if you are using a campus cash card. This card will only be used if you stay in storage longer than the plan you selected.
- During setup, please write your school name and the plan you want in the 'Promo Code' section so that we can identify you as a student and give you the right plan price.
- Once your account is created, you can place a new order. When prompted, order the exact amount of items that are in the package you want (e.g. if you want the basic package; choose 3 large, 1 medium and 1 bulk item).
- Your campus card will be swiped when we drop off our empty containers.
